## SensoDirect Salt 110 (Set)

- High measuring accuracy
- Light weight
- Protective casing
- Large digital display

Part Number: 723300

### Different parameters

SensoDirect 110 series meters can be used to measure pH, salt and conductivity.

### Housing

The protective armor does not guarantee a secure grip but also protection against falls. The stand attached to the back of the housing can also be used as a hanger or belt clip.

### "Hold" function included

Data gained is virtually "frozen" on the display by this function. This not only makes it easier to read the results, it also improves reproducibility.

### Automatic battery check

So you do not experience unpleasant surprises with the battery, the level is constantly monitored. This way, you can always change the battery in good time.
