

Material Safety Data Sheet

1. Identification of Substance

Product name *GAM Agar "Nissui"*
Manufacturer/Supplier *NISSUI PHARMACEUTICAL CO., LTD.*
3-23-9 Ueno Taito-ku Tokyo Japan
Tel: +81-3-5846-5611 Fax: +81-3-5846-5619
Department issuing MSDS *Pharmaceutical Affairs*
3-23-9 Ueno Taito-ku Tokyo Japan
Tel: +81-3-5846-5613 Fax: +81-3-5846-5629

2. Composition / Information on ingredients

Chemical nature *Mixture of chemical and biological substances.*

3. Hazards identification

Harmfulness *Non- harmfulness.*
Environment influence *Non-influence.*
Physical and chemical dangerous *Non- danger.*

4. First-aid measures

After inhalation *Move to the place of fresh air. If necessary, consult a doctor.*
After skin contact *Immediately wash with water and soap and rinse thoroughly.*
After eye contact *Rinse opened eye for several minutes under running water.*
If necessary, consult a doctor
After swallowing *Vomit immediately and wash the inside of the mouth with water.*
If necessary, consult a doctor.

5. Fire-fighting measures

Extinguishing agents *Bubble, CO2, Powder or Dry sand.*
Extinguishing method *—*

6. Accidental release measures

Person-related safety precautions *In case of work, wear an appropriate rubber glove, protection glasses, and a protection coating.*
Measures for environmental protection *It is careful so as not to cause an influence to the environment by being discharged to the river.*
Measures for cleaning/collecting *Collect with something paper towel.*

7. Handling and storage

Handling *Avoid direct contact with skin, a mucous membrane or a wear coating and to enter eyes.*
Storage conditions *Store at room temperature,. Keep container tightly closed. Protect from moisture.*

Material Safety Data Sheet

8. Exposure controls / personal protection

Facility measures *Set up the facilities for the wash of the eyes and the bodies wash near the handling place.*

Controlling concentration *Not setting.*

Components with Occupational Exposure Limits

Not setting.

General protective and hygienic measures

According to need, wear an appropriate protection mask, rubber glove, protection glasses, and a protection coating.

9. Physical and chemical Properties

Form	<i>Powder</i>
Color	<i>Light brownish yellow</i>
Odor	<i>Nearly odorless</i>
pH value	<i>7.1 +/-0.1</i>
Boiling point / Boiling range	<i>Not determined</i>
Melting point	<i>Not determined</i>
Flash point	<i>Not determined</i>
Auto-ignition temperature	<i>Not determined</i>
Danger of explosion	<i>Not determined</i>
Density	<i>Not determined</i>
Solubility in / Miscibility with water	<i>Not determined</i>

10. Stability and reactivity

Thermal decomposition / conditions to be avoided

No decomposition if used according to specifications.

Dangerous reactions *None known.*

Dangerous products of decomposition

None known.

11. Toxicological information

Acute toxicity *Not determined*

Local effect *Not determined*

12. Ecological information

Remaining / decomposition *Not determined*

Ecological accumulation *Not determined*

Ecological toxicity *Not determined*

13. Disposal considerations

Dispose in accordance with appropriate regulations. And or entrust to the industrial waste processing organization which got permission.

Material Safety Data Sheet

14. Transport information

General attention	<i>Follow note of the handling and storage. It ascertains that there is not container leakage. It is careful of the collapse of the luggage during transportation.</i>
International regulation	<i>Follow the transportation laws in the countries concerned.</i>
Country regulation	<i>Not restricted for transportation.</i>

15. Regulatory information

PRTR (Pollutant Release and Transfer Register)	<i>None contains listed substances.</i>
Occupational Health and Safety Law	<i>None contains listed substances.</i>
Poisonous and Deleterious Substances Control Law	<i>None contains listed substances.</i>

16. Other information
